

Philippe L. Pereira, M.D., Ph.D., Professor of Radiology, FCIRSE, FESGAR, EBIR

11/15/1959	born in Mazingarbe, France
1991 - 1995	Residency in Radiology, Minden, Germany
1996 - 2000	Research fellowship Interventional Radiology, Department of Diagnostic and Interventional Radiology, University of Tübingen, Germany
2000 - 2004	Clinical Associated Professor, Department of Diagnostic and Interventional Radiology, University of Tübingen, Germany
2004 - 2008	Professor of Radiology, Research Director and Vice Chairman, Department at the University of Tübingen, Germany.
since 10/2008	Chairman, Department of Diagnostic Radiology, Minimally-Invasive Therapies and Nuclearmedicine, SLK-Clinics, Heilbronn University Karl Ruprecht Heidelberg Faculty Professor of Radiology at the University of Tübingen, Germany.

**Topics of special interest and research**

- Interventional oncology in hepatic and extrahepatic tumours
- Minimal invasive techniques for tumour ablation and imaging strategies in oncology of solid tumours of the abdomen and of the lungs
- Interventional therapy of vascular diseases
- Radiologic-pathological characterization of tumors of the liver and pancreas, functional investigations of neuroendocrine pancreatic tumours
- Treatment and diagnostic investigations with interventional magnetic resonance imaging
- Development of drug eluted particles for targeted tumour therapy

**Faculty (shortened list)**

- CIRSE (Member of the EC, Fellow)
- European Congress of Interventional Oncology (ECIO, SPC Member)
- German Society of Radiology (DRG)
- European Society of Gastro-Abdominal Radiology (Fellow ESGAR)
- German Society of Interventional Radiology (Ex-member of the EC, coopted member of the EC for guidelines)
- RSNA for Interventional Oncology (Faculty)
- World Congress of Interventional Oncology WCIO (up to 2010)
- French Society of Radiology (JFR)

**AWARDS (shortened list)**

ECR, RSNA, CIRSE, ESGAR, ISMRM, DRG.

**Publications and Presentations**

> 280 peer reviewed papers, 30 book chapters

> 600 oral national and international presentations

Professor Pereira is Medical Doctor, and as Professor of Radiology acts as Chairman of the Department of Radiology, Minimally-Invasive Therapies and Nuclearmedicine of the SLK-Clinics, an Academic Hospital of the University of Heidelberg, since the 1st October 2008. Prof. Pereira was up to this date the Vice-Chairman of the Dept of Diagnostic and Interventional Radiology of the Eberhard-Karl University of Tübingen, Germany. The Dept. in the SLK Clinics has a clinical focus on interventional radiology, computer-tomography and magnetic resonance imaging.

Professor Pereira is senior consultant for Medicine Products and Technologies, has experiences with clinical trials, and is MPG and GCP certified. He is consultants, advisory board member or have received honoraries from Bayer-Schering, Bayer Global, BMS, Terumo, Celo-Nova/Boston Scientific, Medtronic-Covidien, Pharmaceut, Sirtex, Biocompatibles/BTG, Siemens Medical Solutions, Microsulis, Bracco, Celon Olympus.

Professor Pereira is Treasurer and Member of the Executive Board of the European Society of Cardiovascular and Interventional Radiology (CIRSE) and member of the German Society of Interventional Radiology, coopted since 2012-DeGIR, responsible for oncological guidelines. He is member and/or has leadership in national and european guidelines programs, mainly related to cancer management. He has in charge to establish an European Network to improve research for interdisciplinary diagnostic and treatment of oncological diseases.
